ADIB HASSAN

56/1 ShahAli Bagh, Mirpur-1, Dhaka-1216, Bangladesh
Personal Website adibhassan066@gmail.com +8801971734229 Adib Hassan Adib Hassan

Education

- **BSc in Electrical & Electronic Engineering** *Rajshahi, Bangladesh*
  Rajshahi University of Engineering & Technology (RUET) *2022– 2026*
  CGPA: 3.79 out of 4.00
  Average CGPA of Last 4 Semesters: 3.85 out of 4.00
  Class Rank: 15th out of 181 students

- **Higher Secondary Certificate (HSC)** *Dhaka, Bangladesh*
  Notre Dame College *2018– 2020*
  Group: Science
  GPA: 5.00 out of 5.00

Research Interest

Photonic Crystal Fiber (PCF), Plasmonic and Photonic Biosensing, Nanophotonics, Biomedical Devices, Metamaterials, Wireless Communications, Light-Matter Interaction.

Research Experience

Undergraduate Researcher

Undergraduate Research Work, Dept. of EEE, RUET *November 2024–Present*

- Designed and characterized dual-core, dual-channel PCF-SPR biosensors for label-free, RI- based biomedical sensing, targeting cancer, dengue, tuberculosis, urinary tract infection (UTI), and Bacterial Pathogens.
- Designed and optimized multilayer prism-based SPR biosensors for enhanced sensitivity, detection range, and figure of merit (FOM).
- Analyzed RIS-assisted wireless network security using SC diversity and MVDR beamforming, evaluating SOP, IP, and PNZSC under κ-μ shadowed fading.
- Authored full manuscripts in IEEE & Elsevier style for journal and conference submission.
- **Thesis Title:** "Highly Sensitive N-FK51A/Cu/ZnSe/BP-Based SPR Biosensor for Dengue Virus Detection: A TMM and FEM Approach"
  Supervisor: Tasnim Sarker Joyeeta, Assistant Professor, Dept. of EEE, RUET

Publications

J= Journal, C= Conference

- **[J-1] A. Hassan**, M. T. Hasan, S. Anik, T. Ahmed, and A. K. Paul, "High-performance dual-channel PCF-SPR sensor for RI interrogation and numerical analysis of cancerous cells, urinary tract infection pathogens, and dengue-affected blood components," *Optik,* p. 172972, 2026/11/09/ 2026, **DOI:** 10.1016/j.ijleo.2026.172972.
- **[C-1] A. Hassan**, A. H. Moon, and T. Ahmed, "Highly Sensitive N-FK51A/Cu/ZnSe/BP-Based SPR Biosensor for Dengue Virus Detection: A TMM and FEM Approach," in 2026 5th International Conference on Electrical, Computer & Telecommunication Engineering (ICECTE), 2026: IEEE, pp. 1-6. **DOI:** 10.1109/ICECTE69292.2026.11429375

- **[C-2]** A. H. Moon, **A. Hassan**, and T. Ahmed, "Design and optimization of a CaF_2/Cu/GO/InN multilayer SPR biosensor for label-free and highly sensitive tuberculosis diagnosis," in 2025 IEEE International Conference on Telecommunications and Photonics (ICTP), Dec. 2025, pp. 1-5. **DOI:** 10.1109/ICTP68765.2025.11414896

- **[C-5] A. Hassan,** T. S. Joyeeta, and S. Anik, "High-performance dual-channel PCF-SPR biosensor for broad-range multi-analyte biomedical sensing," submitted to the *14th International Conference on Electrical and Computer Engineering (ICECE 2026)*, Dhaka, Bangladesh, 2026. **(Manuscript under review)**.

Professional Experience

Industrial Attachment ***March 2, 2025– March 9, 2025***

Siliconova Limited (Semiconductor & VLSI Technology Company) **[PDF]**

• Worked with Verilog RTL coding and simulation, ASIC physical design, Design for Testability (DFT), timing analysis, synthesis flow, and Cadence IC design tools.

Projects

- Autosentinel: Arduino-powered ultrasonic radar with precision targeting and firing system.
- PyroGuard: An intelligent fire-fighting robot for Rapid Emergency Response.
- Smart Arduino-Powered Parking Management & Monitoring System.
- Interfacing HC-05 Bluetooth Module for Home Automation Using Arduino UNO microcontroller
- Electrical Service Design using AutoCAD: a complete electrical service design for a modern apartment building.

Technical Skills

- **Engineering Software:** COMSOL Multiphysics, LOGO! Soft Comfort, Microwind, Multisim, Arduino IDE, Omron CX-Programmer, Anaconda Navigator.
- **Programming:** MATLAB, C, Python.
- **Microsoft Office:** Microsoft Word, Microsoft Excel, Microsoft PowerPoint.

Extra-curricular Activities & Achievements

- **IEEE RUET STUDENT BRANCH** ***2022-2026***
  Chair **[PDF]**
  Served as the Chair of IEEE RUET SB, overseeing team activities and orchestrating major events (Etechnovation, Technofair) and workshops as part of the organizing committee, including several conferences (ICCIT, ICECTE, PEEIACON, INDcon), and a national event named RUET EEE Day.
    - Founding Member of **IEEE RUET AP-S** Student Branch Chapter.
    - Former **Treasurer** at IEEE RUET SB
    - Former **Publicity Coordinator** at IEEE RUET SB
- **IEEE Computer Society Bangladesh Chapter** ***2026-Present***
  Vice Chair (Activity)
- **HULT PRIZE at RUET** ***2023-2025***
  Director (Event Management)
- **RUET CORE (Collaborative Opportunities in Research & Education)** ***2024-2026***
  Vice Chair (Outreach) & Founding Member **[PDF]**
- **NDCAR (NotreDame College Association of RUET)** ***2024-2026***
  Joint Secretary
- **Technical Scholarship** (2023-present) from Rajshahi University of Engineering and Technology (RUET), Rajshahi, Bangladesh.
- **Board Scholarship** of Junior School Certificate (JSC) Examination, General Grade.
- "**Perfect Attendance Certificate**" from NotreDame College.
